Company Overview

PTDeltamasPrimaIndonesia disingkat **DEMASPINDO** adalah perusahaan yang bergerak di bidang pemasaran produk dan jasa dari Delta Coatings International. Kami membantu pihak yang membutuhkan lapisan pelindung (industrial coating) yang berkinerja tinggi

Key Achievement

Menyediakan produk dan jasa coating dari Delta Coatings Internasional yang sangat dibutuhkan oleh pemilik industri, kontraktor dan pihak lainnya, demi melindungi aset, mengurangi biaya dan memberikan ketenangan dalam bekerja.

VISI

Mewarnai dunia melalui pelayanan jasa yg berkualitas, inovatif, kompetitif dan adaptif terhadap keberlangsungan lingkungan

MISI

- Memberikan layanan terbaik melalui perencanaan yang matang, eksekusi sempurna, dan harga yang kompetitif
- Menghadirkan solusi coating dan aplikasi industri yang tahan lama, berkinerja tinggi, serta mendukung produktivitas manufaktur dan konstruksi
- Membangun jaringan perdagangan dan suplai yang efisien, transparan, dan terpercaya untuk memenuhi kebutuhan material serta peralatan industri
- Menyediakan layanan teknis dan konsultasi yang membantu klien mencapai kepatuhan regulasi dan peningkatan proses operasional
- Mengutamakan keselamatan, keberlanjutan, dan kepedulian pelanggan sebagai fondasi keberhasilan jangka panjang
- Meningkatkan efisiensi dan keandalan melalui proses yang terstruktur, hemat waktu, dan berorientasi pada hasil

Resistance Coating**

Floor Coating

Marine Coating

Pure Polyurea Systems

High-performance, 100% solids pure polyurea membranes for seamless waterproofing and protection with exceptional elongation and tensile strength.

Polyurethane Coatings

Flexible polyurethane systems for waterproofing, UV-stable decorative coatings and chemical-resistant linings for demanding environments.

Polyaspartic Top Coats

Fast-curing, UV-stable polyaspartic top coats providing excellent gloss retention, color stability and chemical resistance for architectural and industrial finishes.

Primers & Fillers

Surface preparation and adhesion promoters for concrete, steel and other substrates ensuring maximum bond strength and long-term coating performance.

Cold Applied Polyurea

Hand-applied, single-component cold polyurea systems for smaller applications, DIY projects and situations where spray equipment is not available.

Spray Application Equipment

Authorized Graco spray equipment distributor — proportioners, spray guns and accessories for professional polyurea application with full technical support.

Technical Training & Support

Hands-on application training, equipment calibration, and ongoing technical support provided by our certified coating specialists.

Warranty & After-Sales

Industry-leading multi-year warranty on all products and turnkey projects. Full material and workmanship guarantee for complete peace of mind.
